Guests:

Chief Troy Bergstrom, Roseville Police Andrew Waldrop, Foothills Junction neighborhood Einar Maisch, Stoneridge neighborhood Susie Philipp, Sun City neighborhood Called to Order: 6:30pm

Minutes: The minutes of the January 20, 2022 meeting accepted and placed on file.

Public Comment: none

Roseville Police Update:

- Chief Troy Bergstrom: Roseville Police Department Speaker Series
 https://drive.google.com/file/d/1vwDi5X1s G6QahSsYJzFlhpJB2hNHRyu/view?usp=sharing
 Chief Bergstrom explained the newly available RPD Community Speaker Series with topics available for presentation to the Neighborhood Associations. Topics include the K9 program to unmanned aerial systems, with many offering demonstrations. Speakers can be requested by visiting www.Roseville.ca.us/Police.
- 2. <u>Chief Bergstrom, Traffic</u>: Regarding traffic, the two most common stops are for speeding and Cell Phone violations. Tickets are most issued for speeding, improper lane changes and red light violations. The most often locations for auto accidents are at intersections of Cirby and Sunrise, Cirby and Riverside and Galleria and Roseville Parkway. Regarding the homeless, they are given a 48-hour notice of violation when camping but enforcement to move them is challenging. Parks and Recreation provide camp clean ups on city property; Cal Trans on State property like freeway underpasses.

Roseville Fire Department Update, Jaime Garrett : Positions for a Fire/Environmental Inspector and for a Firefighter/Paramedic will be opening on February 28th. Dry conditions continue in our area and so the red flag program, where warning flags are displayed at fire stations, will be in effect as a reminder to be fire safe.

Roseville City Update, Brian Jacobson: The city is also developing a speaker list for city departments, to be available soon. The City Independent Redistricting Commission has chosen a modified version of Map B, titled Map B-1, now being considered through public hearings. The final decision to adopt this map will be on February 28th. After the following 30 days, it will become the official district map for the city for the next 10 years. The City Strategic Plan Workshop will be held on February 22 and 23rd from 9:00am-1:00pm in the adjacent conference room at this facility. The Neighborhood Identification Sign Policy was presented to City Council last night and was sent back to staff for further clarification. The Open Roseville data sharing site is now available at www.data.roseville.ca.us.

<u>Cherry Glen Neighborhood Association Spotlight, Melinda Surmani:</u> A video presentation was provided by the Cherry Glen NA highlighting the unique history and character of the neighborhood. It is one of the oldest neighborhoods in Roseville, with trees planted between 1912-1915 and contains between 350-400 homes. The neighborhood association offers multiple events and amenities including Neighborhood Night Out, Movies in the Park, an annual yard sale and a puzzle share box, among others.

<u>Treasurers Report, Melinda Surmani</u>: Reports were provided earlier; see for details. Melinda expressed thanks for a donation received from the Firefighters Union in June. There is currently no opportunity to work a fireworks booth since the previous contract has expired. A new lottery will have 10 spots available this year, for which RCONA has applied. The TNT drawing will be held March 11th. There is an opportunity for neighborhoods to apply for a .5% contribution to your NA by signing up at https://www.smile.Amazon.com program.

Spring Clean Up Committee Report and MITP, Jim Kidd:

- Movies in the Park are now events hosted by the individual neighborhood associations, not RCONA. The policy and procedures are on the RCONA website under activities. Approximate cost- \$900.00.
- 2. The city has partnered with RCONA and will provide free dumpsters in several locations on different dates for residents to deposit their unwanted items. On Feb 22 the spring clean up committee will meet with city representatives to clarify details, then there will be a city link, an email, fliers, and further details provided. A sign-up genius will be sent for volunteers. The high schools, RPD and boy scouts have been invited to help. Eight to nine volunteers per shift are needed. Shifts will be 8am-10:30am, 10:30am-1:00pm and 1:00pm-3:30pm. Neighborhood Associations have teamed up into 5 zones, each of which will be responsible for providing volunteers and drinks/lunch for those volunteers. Only residents showing proof of residency will be allowed to dump at our locations. Stay tuned!

<u>Scholarship Committee Proposed P&P, Kevin La Chance</u>: New Policies and Procedures were provided for feedback as well as a copy of the program announcement provided for applicants. Some questions were asked about eligibility with wording changes recommended. NAs will notify the committee of any applicants from their neighborhood. Applications must be received by RCONA by March 11th. Awards are determined on April 8th. The modified and final version of this document will be sent to board members for a vote at the next general meeting.

Neighborhood Round Table:

<u>Maidu</u>: Jim circulated their newsletter for an update on this neighborhood. April 23 will be their garage sale.

Cherry Glen: provided in the spotlight presentation

Stoneridge: no report

<u>Blue Oaks</u>: Joe Flores reported their neighborhood will be hosting a presentation on the Campus of Hope proposal to be held March 1, 6:00pm at Diamond Creek Elementary School. A garage sale will be held April 23. Denios is holding a non-profit morning at 7:30am on April 30th. The Lions Club will be sponsoring a Carnival for special needs kids on May14th at Lincoln Crossings.

Historic Sierra Vista: Working on getting sidewalks.

South Cirby: Meeting in Crestmont Park and working for more seating there.

<u>Fiddyment Farm</u>: Given concerns over the ownership of sound walls in their neighborhood, residents spoke to Steve Hicks, the area developer who said the city is responsible for sound wall maintenance through the Mello-Roo assessments collected from the homeowners. They were advised to inform the city and gain confirmation.

<u>WestPark</u>: Now the neighborhood has a new restaurant and coffee shop open. Meets with Fiddyment Farms but has recently been unable to gain a quorum for an election to occur.

Folsom Road: no report

<u>Foothills Junction</u> (or Junction West?): Andrew Waldrop reported he would like to restart this NA and sought advice on finding a meeting place. Jim and committee will follow up.

Cirbyside: Scheduled to be activated on February 23rd. Welcome!

<u>Kaseberg-Kingswood:</u> There has been no meetings recently due to low interest. A new neighbor has volunteered to print materials provided his logo will be featured so a newsletter will be started soon.

<u>Highland Reserve:</u> Jay Kinney reported their neighborhood rallied around raising funds to rehab Buljan Park. The city has approved the project to begin soon. The NA would like to build more engagement from the residents and is interested in having a MITP. Other suggestions included inviting local sports clubs, police, or PTC from local schools.

<u>Los Cerritos</u>: Elections were held, and officers installed. Work is focused on improving safety at Weber Park. Chief Bergstrom recommended they contact Nina Phelps and request a crime prevention plan via environmental design.

<u>Roseville Heights</u>: Creating a sidewalk program app to indicate where sidewalks exist and where they don't, similar to the app created for Holiday decorating contests used for Halloween and Christmas.

<u>NA Deactivation</u>: Two neighborhoods have been inactive for over 9 months, Woodcreek Oaks and Cresthaven. The RCONA policy is that an NA is to be notified on the third missed meeting they are at risk of deactivation. Both of these NA's have been notified and have acknowledged they do not currently forsee any further activity. Jim will send a posting on Nextdoor asking if there is any interest from these neighborhoods before proceeding.

<u>Final Comments</u>: Steve Parker raised concerns about needing to recruit members for the Fundraising committee. Given Highland Reserve has been so successful, they have been asked to share their strategies with the committee.

Meeting Adjourned: 8:15pm

Dates to Remember:

Thurs. March 10, 2022, RCONA E-Board Meeting—Zoom Meeting https://meeting.rcona.org 6:30pm Tues. March 15, 2022, City Staff Meeting-MS Teams-10am

Thurs. March 17, 2022, RCONA General Meeting – Zoom Meeting https://meeting.rcona.org 6:30pm
