RCONA Scholarship Recommendation

– Two Additional Awards

The RCONA Scholarship committee is respectfully asking for two more scholarships to be awarded in the 2022 school year. As the committee reviewed all the applications, it was determined that there were two more that needed recognition due to their exemplary volunteering during the award period. Since there is an excess in the budget, the committee feels an extra \$600 is warranted for these outstanding students.

The committee is asking for  
two \$300 scholarships, for a total of \$600.

The 2022 award amount would then be: \$1,200,00

Respectfully submitted,

Steve Parker, Committee Chair
